

Tri State Baptist College Tuition-Free Scholarship Application and Acknowledgment of Conditions

College freshmen committed to attending Tri-State Baptist College for at least two years are eligible for a one year tuition-free scholarship. The scholarship pays for tuition only; it does not pay for registration, books, lab, activity or dormitory fees.

Students transferring from another college, students seeking a second college degree, and students whose tuition would otherwise be paid by another scholarship or program are not eligible and will not be granted this scholarship except by special review and approval of the Tri-State Baptist College Scholarship Committee.

1. The student must be recommended by his/her Pastor for Bible College in writing.
2. The scholarship student must maintain a 2.0 (C) grade point average during the period of the scholarship.
3. The scholarship student may not accrue in excess of 25 demerits either semester during the scholarship period.
4. The scholarship student agrees to complete a minimum of two years training at Tri-State Baptist College. The student becomes financially responsible for the credits that were earned if two years training are not completed.

We understand that Tri-State Baptist College has sole responsibility for determining final scholarship recipients.

We have read the scholarship conditions and our signatures indicate our understanding.
